

# Social7s

**Softball Australia's slowpitch version of softball that is fast, fun and easy to play, with 7 players on each team.**

- Every player bats each inning
- Ball is pitched slower, leading to more hits and fielding
- High scoring — every base gained is a run
- A new pitcher each inning
- A Strike Zone Mat is used — if the pitch lands on the mat, it is a strike
- No umpire required — a Game Coordinator is responsible for scoring and adjudicating on close plays
